*Ebola, Terrorism, and Hope*

The Ebola virus in Kapchorwa has mutated into an airborne strain. Terrorists have infected themselves with this new strain and are making their escape from Uganda, bent on spreading the deadly disease to western countries. The CIA is fighting to stop them while the Department of Homeland Security prepares a country for the coming pestilence.

Austin Cooper, left for dead by the terrorists, now finds himself in a country falling apart under the strain of a pestilence that is ravaging its population. But his father, back in Denver believes Austin is dead and must make his fatal choices for dealing with a coming Ebola pandemic while grieving for his lost son.
