What nasty shark lurks in your opponent's hand? Could it be the Great White? Here's a card game that plays like "Old Maid" but, all the cards are sharks (some nice, some not so nice) and the one you don't want to end up with is, you guessed it, the Great White! Fourteen species of sharks are represented in all (with life-like illustrations by noted Hawaiian illustrator Les Hata): from the frivolous little cookie cutter shark to the majestic whale shark; from the common blacktip reef shark to the extremely rare megamouth. For those who have forgotten how to play Old Maid, there are instructions, and, by taking out the Great White card, you can play Go Fish! with the same deck. 54 poker-size playing cards in all.
