None of the Above: The Truth Behind the SATs (Culture and Education Series) David Owen

Each year high school students across the country, armed with No. 2 pencils and in various states of battle-readiness, face one of life's most gut-wrenching rites of passage: the SAT. Part devastating exposé, part savvy test guide, *None of the Above* demystifies the development of the SAT and offers practical strategies on how to beat the test. Fifteen years after its original publication, Owen's updated book is more relevant than ever for students, their parents, and those who believe in the importance of educational opportunity for all.
