Sylvia Massy

(Music Pro Guide Books & DVDs). Recording Unhinged: Creative and Unconventional Music Recording Techniques is a dare a challenge for those who think recording music should be done a certain way. Sylvia Massy, engineer, mixer, and producer of such all-time great artists as Tool, Prince, Tom Petty and the Heartbreakers, R.E.M., Oingo Boingo, Johnny Cash, Red Hot Chili Peppers, and many more, invites you to put everything you've ever known or learned about recording aside and dive head-long into the unknown. You might just find the doors blown off your conception of how great music should be recorded. If you want to take your creativity and freedom to a brand new level, open your mind and hear the sermons that Sylvia Massy preaches! She lives in a world far outside the norm, working in ways that, though frightening to some, yield results that are emotionally powerful, incredibly personal, gut-wrenching, organic, and even (based on her iconic client list) extremely commercially successful. Recording Unhinged contains many full-color R. Crumb-style illustrations by Massy, herself! In addition to being an A-list engineer/producer, she is a gifted artist! Her illustrations depict real and imaginary sessions and recording situations so the images move beyond literal demonstrations into the root-level heart and soul of her passion for recording and music! Also, included are lists, recipes, schematics, quotes, and stories, plus Massy interviews countless industry icons who shake-it-up in the music world.

Donald Rivera:

As a college student exactly feel bored to help reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just minor students that has reading's soul or real their leisure activity. They just do what the educator want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Recording Unhinged: Creative and Unconventional Music Recording

Techniques Bk/online media can make you feel more interested to read.
