Stepbrother Soldier's Baby (The Hero Book 1) Lila Moore

My hero. My protector. My stepbrother. My lover.

When my stepbrother returned home from war, I hardly recognized him. The lanky boy I'd grown up with had been replaced by a tall, muscular handsome man, but something was missing. Now darkness clouds his eyes.

I'm determined to make him happy; however, his cheating, vengeful wife Mia has other plans. In his absence, she became pregnant by his childhood best friend and has done everything she can to destroy our family.

Secrets and lies have changed his home forever, but no matter what happens, I'll always be there for him.

I've never been with a man before, let alone my stepbrother, but I'm determined to carve out a new life for the two of us. There's just one little problem: he wants a baby and I'm finding it harder and harder to resist temptation.

Can I heal my stepbrother by giving him the family he desperately desires? Or will our taboo attraction be our undoing?
