What dangers lurk in the dark forest?

No one ever told Elise not to go too deep into the forest. No one ever told her that if she did, she risked crossing into the forbidden lands of the goblins. More importantly, no one ever told her that if she was caught, she would have to sell her body for her freedom and feed the great Goblin King's hunger.

Now, Elise must fight to survive. Will she ever make it back home? More importantly, will she be able to endure the Goblin King's insatiable appetite?

Please note: The Goblin King's Captive is a short story (approx 60 pages) and includes an innocent but willful young woman and a sexy Goblin King (and a few goblins) who have a taste for humans. For mature audiences only!
