She wrote the book--literally--on finding the right mate. But does she really understand what love's about?

Five hours before her Nantucket beach wedding--and on the eve of her big book launch--celebrity marriage counselor Kate Lawrence has everything in place.

Everything, that is, but the groom. She might not have a career, either, when her nationwide audience finds out their marriage guru has been left at the altar.

Enter Lucas Wright, who offers to stand in for the missing husband-to-be and marry her. Kate's desperate enough to agree--although she's sure this Mr. Wright is completely wrong for her. But can they pull it off? And why would Lucas marry her in the first place?

Could it be that "Dr. Kate" doesn't know the first thing about love?

An inspiring tale of enduring love set in romantic Nantucket.

Each Romance For Good™ novel offers a story of hope and love that positively portrays the eternal impact of relationships.
