**The Frustrated Guitarist's LAST Chord Book: How to FINALLY Learn To Play Rhythm Guitar** Eric Morrison

For absolute beginners to intermediate rhythm guitarists.

Regardless of where you are in your guitar chord studies, "The Frustrated Guitarist's LAST Chord Book" will take your understanding of the guitar's fretboard and chord playing to new and unexpected places. Say goodbye to all other lesson materials you've tried to utilize to get you there. You're obviously not there yet or you wouldn't be here.

Based upon the "CAGED" system of chord studies, this book is the effectively-organized and intelligently-structured jump start that the CAGED system has long needed to drive the concept home. This book will show...

\*How chord families link together!

\*How these links provide a vast vocabulary of chords for the student with minimal memorization involved!

\*An ingenious layout of all chords within each family. Worth the price of the book by itself!!

\*Minimal theory with maximal comprehension!

\*A how-to practice guide!

\*An appendix on how to use a capo!

\*Lots more!!!

"The Frustrated Guitarist's LAST Chord Book" is intended to be the last stop for any guitar player looking to break out of their stifled learning from sources which can include battles with picture chord books, method books, song books, YouTube videos, DVD's, audio files, etc.

It's a rhythm method designed to have students playing chord charts strictly from memory without the need of this manual once they finish it.

Eric Morrison has been a professional guitar instructor for the past 15 years. A multi-instrumentalist, he is the owner and the lead instructor for guitar, bass, drums and vocals at the Garage Rock Academy in Mesa, Arizona ([www.thegarageacademy.com](http://www.thegarageacademy.com)).
