Winner of the Coretta Scott King Award!

Millions of fans have followed the Logan family in their seven-book series. Living in the South in the not-so-distant past, the Logans are the only black family to own farmland, while most of their black neighbors are sharecroppers on white-owned land. But where did this valuable legacy come from?

The story begins with Paul-Edward Logan, grandfather of Cassie Logan, the beloved protagonist of Newbery Medal-winning **Roll of Thunder, Hear My Cry**. Born during the Civil War, Paul-Edward is the son of a white plantation owner and a former slave. Though not an unusual heritage, his upbringing is. Paul-Edward's white father sees to it that he and his sister have many of the privileges their white half-brothers enjoy. But at fourteen, Paul-Edward runs away to seek his fortune. His story is filled with exciting, sometimes heart-breaking adventures, and what is most amazing, his dream of land-ownership, almost impossible for a black person to accomplish in the post-Civil War South, becomes reality.

The Land, like all the books in this award-winning series, is based on the experiences of the Taylor family, bringing historical truth and power to this awe-inspiring story.
