The Venus Trap

Louise Voss

The Venus Trap Louise Voss

Jo Atkins' sixteenth year was disastrous: she lost her dad, was assaulted by a stranger, and then had her heart broken. For the last twenty-five years, she's believed that nothing could ever be as bad again.

She was wrong.

Now, still smarting from her recent divorce, pretty, self-effacing Jo finally gathers the courage to enter the dating scene. She meets Claudio, whom she vaguely remembers from her youth, but after a few dates decides he's creepy and politely tells him 'thanks but no thanks'.

But Claudio has no intention of letting her go.

Instead of never seeing him again, Jo wakes up sick and terrified, handcuffed to her own bed. She is given a week to prove her love for Claudio—or he will kill her.

Claudio, it turns out, is a man with nothing left to lose.

The Venus Trap tackles the emotional impact of divorce, the perils of modern dating and the age-old powers of lust and obsession.

From reader reviews:

Evelyn Spencer:

As people who live in the modest era should be change about what going on or facts even knowledge to make them keep up with the era that is certainly always change and progress. Some of you maybe will probably update themselves by examining books. It is a good choice in your case but the problems coming to anyone is you don't know what one you should start with. This The Venus Trap is our recommendation to help you keep up with the world. Why, since this book serves what you want and wish in this era.

Rhonda Rudder:

Reading a publication can be one of a lot of task that everyone in the world really likes. Do you like reading book so. There are a lot of reasons why people enjoyed. First reading a e-book will give you a lot of new data. When you read a guide you will get new information since book is one of a number of ways to share the information as well as their idea. Second, reading through a book will make an individual more imaginative. When you reading through a book especially tale fantasy book the author will bring you to definitely imagine the story how the people do it anything. Third, you may share your knowledge to other people. When you read this The Venus Trap, you are able to tells your family, friends in addition to soon about yours guide. Your knowledge can inspire others, make them reading a reserve.

Joseph Robison:

This The Venus Trap is great e-book for you because the content and that is full of information for you who all always deal with world and also have to make decision every minute. That book reveal it facts accurately using great organize word or we can declare no rambling sentences included. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but difficult core information with lovely delivering sentences. Having The Venus Trap in your hand like having the world in your arm, info in it is not ridiculous just one. We can say that no book that offer you world in ten or fifteen second right but this guide already do that. So , this is certainly good reading book. Heya Mr. and Mrs. hectic do you still doubt which?

Grace Smith:

That publication can make you to feel relax. That book The Venus Trap was vibrant and of course has pictures around. As we know that book The Venus Trap has many kinds or style. Start from kids until youngsters. For example Naruto or Investigator Conan you can read and think you are the character on there. So , not at all of book are generally make you bored, any it offers up you feel happy, fun and rest. Try to choose the best book in your case and try to like reading that.
