## **A Well Founded Fear of Death (Stepping Out) (Volume 2)** Sherri Stewart

Julie Richards is slightly agoraphobic, but she manages to hide it from her friends. She's taking baby steps to overcome it, but the trip to Colombia tests her limits, and she can't wait to return to her normal, safe life in Celebration, her boyfriend, and her law practice. But nothing is safe and normal in Celebration. Men threaten to blow up her house if she doesn't give them the child they think she's hiding. Her boyfriend tells her he's marrying her best friend. And one of her clients is in a coma because the asylum case she thought was a slam dunk is not going well. She's ready to give up and go back to hiding from everyone. Will Julie hold fast to her "Life's not fair" mantra, or will she cling to God's promise that all things work together for good?
