Alouette's Song: Second Edition ANDREW JONATHAN FINE

Four teens from separate walks of life have fated encounters that will not only bring them together as lovers and friends, but as saviors. Together, they will kick open the door to humanity's settlement of the Milky Way. But only ingenuity, compassion, valor, and prayer will see them through their adventures before they can safely return home! Shoshannah Brombacher, Ph.D., one of the foremost Judaica artists in the United States, has very generously created a bespoke adventure illustration for the front cover of the paperback and the e-book. Famous science-fiction and fantasy author Piers Anthony has also given an endorsement to the story.
