What has God called me to do? How do I love my neighbor? What is my identity? How does the Christian faith impact my daily life? These are among the many questions answered in this book. Throughout this work, Jordan Cooper writes about the essential aspects of how to live as God's child. He writes about the importance of the sacraments, the difference between God's commandments and promises, how to follow Jesus, the nature and purpose of Christian worship, and the different types of relationships that God has called us to. Through an explanation of Scripture, along with theological and practical application, Cooper teaches Christians how to live as those who have been baptized into Christ.
