Innocent lives are put in jeopardy in this terrifying new thriller that asks the question: Are we prepared for the next epidemic?

A mysterious illness with disturbing symptoms is plaguing women across the United States. It begins with memory loss and confusion and ends with the patient falling into a coma. Medical professionals are at a loss for the cause, but one thing remains constant: All of the victims are pregnant.

Called in to consult on the case of his best friend's wife, neurologist Jack Wyatt has never seen anything like it. Now, with the nation on the brink of panic, Jack and his colleagues are in race against time to find a cure.

The disease they are calling Gestational Neuropathic Syndrome (GNS) is spreading. Patients are dying—and no one can guess what will happen next...
