The only difference is that these people have mastered a successful mind-set which allows them to take advantage of the opportunities in life. If you want to achieve great wealth, it's important that you focus solely on your goals. However, most people end up suffering over the things they don't have, instead. They spend all their energy thinking about the nice jobs they can't get, piled up bills, basic needs they can't obtain and other daily hardships. Getting sucked into all this negative energy, however, only leads you into a deeper hole of frustrations and worries.
