My Not-So-Shameful Sex Secrets Girl on the Net

Book one from Girl on the Net. Printed edition includes a bonus chapter. This is a passionate and deeply erotic memoir that takes us through the life of a young girl growing up trying to figure out her kinks and quirks. There are plenty of filthy chapters, as we follow Girl on the Net through illicit teenage masturbation to fetish clubs, online dating, sex parties and the terrifying horrors of love. It's a memoir that is unashamed about sex, and keen to sweep away the assumptions we make about it. This book is about desire, love, BDSM, and what people do when the sex stops and you have to fight over the washing up. Above all it's an honest account of the sexual mistakes that make us all human.
