Whether you're a new graduate or an experienced pharmacist, this book will put you on the fast track to becoming licensed in the state of Virginia. The study guide published by the Virginia Board of Pharmacy lists the laws, codes, and statutes that are covered on the Virginia Pharmacy Law Exam - and requires you to read them all. Printed out, these codes and statutes make a stack the size of a phone book. If you'd rather not read hundreds of pages of legal jargon, this is the book for you. It's arranged in the same order as the Board's study guide, with legal language translated into plain English. It's clear and concise, and its question-and-answer format allows you to rapidly quiz yourself. If you're able to start earning a pharmacist's salary in Virginia just one day earlier as a result of this book, it will have more than paid for itself.
