## **Personnel Psychology: An Applied Perspective** M Coetzee

Personnel Psychology: An Applied Perspective provides an inviting and comprehensive introduction to the field of personnel psychology. The text includes classic theories and research with the latest developments that mirror the dynamics of the field and provide a challenging and insightful overview of the application of the field in the South African organisational context. This book aims to meet the requirement for a quality South African text on this subject, pitched at the appropriate level. It has a South African focus and is made accessible to students through the use of South African examples and case studies.
