Taste Mickie B. Ashling

What should have been a brief interlude turns into something deeper when Lil Lampert meets Grier Dilorio at the Taste of Chicago. Lil is in town visiting good friends Jody Williams and Clark Stevens, and he didn't plan to hook up with a younger man and discover a mutual love for architecture, interior design, and a unique sexual kink that keeps Lil coming back for more.

By all appearances, Grier is the quintessential bad boy who loves speed, tattoos, and leather, but Lil slowly uncovers another side: selfless, responsible, and tender, especially for Luca, the son he's had to deny. With Lil's love and support, Grier will make a decision key to opening the door to a possible future together, one that includes fatherhood, something Lil has dreamed of but has never dared to explore.
