Life sucked as an Omega but he knew what being one always meant... Until they came to the island and it seemed fate just wanted to blow his life and everything he knew all to hell. Kelvin is one of the perks of this new life. They can be honest about what they feel for each other and explore it how they want. And then there's Quilan, a man so intense Baptista is confused by, drawn to, and comes alive with him... All at the same time. He's just afraid he'll get burned. That leaves Meriel, who's so shy that for once Baptista has to make the moves to seduce this gentle giant. But when the drama isn't over, more secrets are uncovered, and Baptista's powers start spiraling out of control, will the men he wants stand by him? Note: This book contains double anal penetration. Note: This book is written in first-person point of view. \*\* A Siren Erotic Romance
