Is Your Child Wired for Success?: The Incontestable Truth about Achievement Dan Lier

What if you knew the environment you were providing for your child would be a launching pad or a hindrance for success? Human Behavior Expert Dan Lier shares his Psycho-Success Developmental Theory in which he provides data, along with applicable examples on how our children are "Wired for Success." The father of behaviorism and one of the most prolific psychologists in the history of the world, John B. Watson sent a message to the mothers of the world that he could "program" their children to become anything from doctors to beggars. Was John B. Watson ahead of his time? Dan Lier shares how the environment we create, along with the 7 Principles for Success will either propel, or inhibit your child from developing the skills necessary to find true happiness in their lives
