This is a coloring book of science fiction images, all original, hand drawn using a very fine point black marker, and my imagination. They can combine many different images of components found in plumbing, electrical, technology, mechanical, electronics, carpentry, and automotive, surgical instruments-The Da Vinci Robot, music, tools, equipment, inventions, outer space, universal, industry and many others. These images of couplings, hoses, nuts, bolts, fixtures, wires, antennas, satellite dishes, receptors, rectifiers, circuits, switches, capacitors, vents, all combined to create images such as planets, space ships, space stations, sea creatures, animals, insects, people, places, borders, frames, the alphabet, numbers, keyboard symbols, zodiac signs, cityscapes, space landscapes, holiday symbols, ornaments, portraits, logos, motorcycles, autos, and more to still be illustrated. Work, kids, relationships, meetings, traffic, bills...we are all faced with stress on a daily basis. And sometimes you just need a way to relieve the tension and avoid burnout, illness, or worse. A simple and inexpensive way to relieve stress is by coloring images, which can be soothing. Some even consider it an alternative to stressors, ultimately aiding in reversing the effects of anxiety. Refocusing your attention on something completely different to engage in a mental, physical, and emotional shift can help break the pattern of consistent stress and allow one to rejuvenate. All designed to help you unplug and unwind at the end of each day. Readers can explore the benefits of putting fine point Sharpie markers to paper and channel their day-to-day stresses into a satisfying, creative environment. Amazing Illustrations is the perfect way for science fiction lovers to step back from the stress of everyday life, color, imagine and relax!
