Murder in the House of the Muse: The Jeremy Wadlington-Smythe Mysteries Leni Bogat

In this delicious murder mystery we are introduced to Jeremy Wadlington-Smythe, a newcomer to the wonderful world of the whodunnit. In this novel, the first of the series, Jeremy, an accomplished orchestral conductor with a unique view of his mission, accepts an engagement to lead a major American symphony orchestra only to find himself in the midst of murder and mayhem.

Jeremy is recruited by the president of the board of a major American orchestra because of his unorthodox approach to the business of orchestral music making. He has managed simultaneously to make himself very successful as a conductor with a much larger than typical following as well as one who is mistrusted by the administrators of the orchestras he conducts because his approach is in direct contradiction to the, by now, century old paradigm in which they are floundering.
