This short Kindle eBook is to help you ask the right questions at your child's school to determine if your child's IEP was developed to address your child's special needs efficiently.

The following short chapters each cover one question or topic every parent with a child on an IEP should reflect on. If you are not sure of the answer, talk to your child's teacher right away.

I wrote this short Kindle eBook not to stir up dry sand, but to make sure every child is given a fair opportunity to learn.
