Wrecked: A Stepbrother Romance Novel Arabella Abbing

### Brandon Jensen was a legend.

Known for his wealth and ruthlessness, he ran his company with the single-minded focus of a man possessed. Brandon had been working non-stop for nearly a decade.

Even after he seemingly disappeared off the face of the earth.

*No one* saw him anymore. Not his employees or his family. But the missing persons investigation had been closed and his business continued to run like he never left.

The disappearance of my stepbrother was a mystery that plagued my thoughts almost every night until a letter arrived in my mailbox.

A plea for my help, signed with his initials.

Even though we parted on bad terms after our last falling out, I couldn't resist my chance to get answers.

The reason behind his disappearance became clear the moment my eyes landed on his face for the first time in five years.

Wrecked is a standalone, full-length novel complete with a happy ending. Perfect for any reader who might need a little break from the typical alpha male.
