What happens when an introverted artist who only likes sex when it's a one-night stand meets a computer-geek-extraordinaire with his own sexy secrets? Objectification, romance, pain, adoration, lots of kinky toys, and oodles and oodles of wonderfully imaginative sex.

Join Cara and Travis on their journey to mesh their distinctive sexual tastes into a loving relationship with blow-your-mind kink.

Ob*jec*ti*fi*ca*tion:

1. Treating a person as an object for use, with no regard for a person's personality or sentience.
2. Regarding someone as a commodity; considering them merely an instrument towards one's sexual pleasure.

Examples of OBJECTIFICATION:

1. A woman is on her back at the edge of a tall bed with hands and feet bound together and restrained above her head. A curtain drapes from a canopy above and puddles on the backs of her thighs. The man about to penetrate her sees only female genitals available for use.
2. A woman is dressed in a full latex blow-up doll costume with durable latex 'pockets' stuffed into her orifices. She is bound into a position giving easy access to all three holes at a party. Her face is completely covered excepting nose and mouth. The men do not know who is in the costume.

Safeword: Quinacridone is a stand-alone book. You do not need to have read the previous books in this series.

Warning: This title contains graphic language, consensual BDSM, extreme objectification, bondage, watersports, chemical play, fisting, temporary body modification with saline injections, and the use of toys including clamps, canes, plugs, paddles, whips, floggers, and zip-ties.
